

PERMISSION TO PUBLISH CHILDREN'S WORK/IMAGES

Background

Upstart Magazine is a publication for boys and girls aged seven to 12. It is distributed through New Zealand schools, the retail sector, and personal subscriptions

Schools participate by assisting students to get their work and ideas into *Upstart* Magazine and website.

Parents may also submit their children's work, directly.

However, ALL submissions – whether via a school or parent/guardian – must have a child's signature to say he/she agrees to having their work submitted for publication.

Topics contributed by children include: entertainment, letters, book reviews, current topics, personal and community stories, creative writing, sport, science, puzzles, games, quizzes.

Use of student work and images

Student work and images (photos and drawings) may be used as a part of *Upstart* Magazine, website (www.upstartmag.co.nz), and/or promotional materials.

In completing this form, you are giving consent to the publication of your child's creative contribution. COPYRIGHT remains with the child at all times.
Your child is also giving his/her consent that he/she is indeed happy for us to publish their work.

UPSTART Magazine Parent/Child Permission form

NOTE: If your child's work will be submitted via his/her teacher/school, it is only necessary for you to fill out this form THE FIRST TIME work is being submitted. The publishers assume that you will therefore be happy for subsequent submissions, at the teacher's discretion.

If your child is submitting directly from you, this form will be required each time.

If submitting directly ONLINE, the submission process will ask for your permission.

YOU HAVE THE RIGHT to rescind this permission at any time, and to request removal of any of your child's work from the Upstart website. (Please note it is only possible to make this request in the case of material to be printed in *Upstart Magazine*, up to 30 days from material deadlines).

I confirm that I, _____, am the parent/legal guardian of _____ (child's name), and that this is the ORIGINAL work of this child.

I am indicating my permission by initialling JUST THOSE STATEMENTS THAT I AM HAPPY WITH in the boxes of the table below.
